

MERRY CHRISTMAS

HERE'S the POINT

By SPENCE HELD

Santa Claus visited Mercy Hospital Monday—and went straight to the room where 4-year-old Randy Thayer awaited Christmas with his touseled head on a pillow and his mangled legs hidden by the covers.

He was silent as Santa approached his bed. But his eyes brightened as old Saint Nick handed him a giant Panda and other gifts from his pack. . . He reached eagerly for a red plastic boat—a boat that he might sail some day after his leg is amputated and he learns to walk with an artificial limb.

Santa had a variety of things for the thin, pale little boy who has been fighting for his life since a truck hit him on Voltaire St. Oct. 14. There was a marble game, a coloring book and crayons, and several picture story books.

And candy canes. . . Three other boys were in the room, and Santa distributed candy canes to them too.

The hospital nurses were excited by Santa's visit; they kidded him an dished him a Merry Christmas.

In fact, the spirit of Christmas was in evidence throughout the hospital. . . Perhaps there's more real Christmas spirit in hospitals than anywhere else—and that's the way it ought to be.

The teen-aged girl at our house had a date the other night with a boy from Army & Navy Academy in Carlsbad.

His name was Clark, it developed, and he was from Phoenix.

After I met him, my wife took me aside. "Say," she said, "didn't you know a fellow named Clark at the University of Arizona? Isn't he an attorney in Phoenix?"

"You don't mean—"

"Yes," she replied.

So I confronted the boy. "Is your father's name Wally?" I asked.

"That's right."

I dug out my 1925 Arizona Desert (annual) and showed him a couple photos of his father, including one in track costume.

"He was a hurdler," I said.

"The last time I saw him was in 1926 when the Arizona track team had a meet with State College here. I got him a date and we went to a dance at the Plata Real in the U. S. Grant Hotel."

The boy was slightly flabbergasted and so was I. After all, that was 29 years ago.

It doesn't seem that long . . .

CHRISTMAS GUESTS

Colonel and Mrs. Rolin W. Shaw, of 2017 Guizot St., will have as Christmas guests from out of town one of Col. Shaw's sons, Major Arthur F. Shaw, U. S. Air Force, who will come from Riverside with his wife and four children: Charles, Claudia, Donald, and Rolin Wesley Shaw III. Major Shaw is stationed at March Air Force Base and is operations officer for the 42nd Air Rescue Squadron.

CREATIVE WORK BY TEACHERS FEATURES O. B. YULE PROGRAM

A feature of the Ocean Beach Elementary School's primary department Christmas program, presented Dec. 12 and 13, was the creative work by the teachers.

Mrs. Kay Moore was program director. Music director was James Miller, who composed two of the songs sung by the children's chorus—"Santa's Working," and "Gloom Song," to go with the play, "The Little Engine That Could." Mrs. Sara Lyan improvised piano accompaniments for the original songs and played for the entire program.

Choric verse for both the story and the nativity scene was adapted and directed by Miss Donna Fenton. (Two groups of children were used—the singing choir, costumed in red and white; the verse choir in green and white.) Set directors were James Belingham and Charles Webster.

Lack of space prevents listing the 120 children, in addition to the two choirs, who participated as characters in the play and nativity scene.

"The Little Engine That Could" featured Santa Claus, his helpers, and dancers. Each dance-

Savings & Loan Association O.K.'d By State

Formation of the Harbor Savings and Loan Association, to be established in the Ocean Beach area, has been approved by Milton O. Shaw, State Savings and Loan Commissioner, it was learned this week.

Prior to the hearing, applications had been filed by three groups for formation of such an organization, and two of them—the Cabrillo and Harbor Associations—entered into a merger agreement.

Incorporators and organizers of the two combined groups include John D. Butler, Clair Burgenier, Bruce Hazard, Louis H. Kornick, Fred S. Leeds, Dr. O. K. Bullard, Louis DeFalco, James Edgar Hervey, Edwin A. Mueller, Keith Carlin, Montgomery Phister, George E. Campbell, Jesse H. Block, Edward P. Silva, H. J. La Dou and Vernon M. Brown.

Permanent directors must be elected by the stockholders before application can be made for Federal insurance guaranteeing deposits up to \$10,000.

The Harbor Savings and Loan Association is expected to open for business in Ocean Beach before July 1, 1956.

All O. B. Children Invited To Yule Party Friday Night

Loyal Order of Moose, Ocean Beach Lodge 1755, will hold its annual Community Christmas party for all children in the Ocean Beach area, on Friday evening, December 23. The party will be held at the Moose Hall, 5019 Newport Ave., and will begin at 7:15 p.m.

There will be a special program of entertainment, including choral singing and all kinds of fun for the children. Santa Claus will be there to give every girl and boy a big gift of candy and goodies.

"Be sure to have your mother or father bring you to the party," it was said.

A total of 2,910 pedestrians were killed and 58,880 were injured while crossing between intersections last year in the United States, reports the National Automobile Club.

Church Children Give Toys To Tijuana Orphans

The Christmas spirit of giving is being expressed by the children of All Souls' Episcopal Church in toys which they presented, at the altar last Sunday and which will be distributed at the Guardiania Infantil in Tijuana on January 6, the date celebrated in Mexico as the Feast of the Three Kings.

Also giving of themselves are members of the Junior Choir under Mrs. H. L. Baslee and Miss Linda Chene who planned an afternoon of carolling this week. The St. Cecilia and Boys' and Men's Choir will go carolling after tonight's regular practice.

Services Scheduled

The Children's Candlelight Service will be held in the church at 4 p.m. on Saturday, the 24th. The Midnight Christmas Eve Communion will start at 11 p.m. and there will be just two services on Christmas Day, at 8 and 10 a.m.

The cheche figures in the nativity were made under the direction of Mrs. Walter Teutsch by the Young People's Fellowship and the stable was constructed by William Graham's Sunday school class.

Services Pending For Dr. Burkett

Funeral arrangements for Dr. Lyle M. Burkett, 47, Ocean Beach dentist, were pending yesterday at Beardsley Funeral Home while efforts were being made to contact a brother in the Navy.

Dr. Burkett, who resided at 1195 Santa Barbara St. with his wife, La Veta, and son, Gary, 14, was found dead Monday at 4951 Brighton Ave., where he also owned property. He had been building a shed there, it was learned. Death apparently was from natural causes.

Dr. Burkett, a graduate of the University of Nebraska Dental

Funeral Services Held Monday For Mrs. Sutherland

Mrs. Sutherland, the wife of A. Paul Sutherland, San Diego business man, was a member of Point Loma Community Presbyterian Church. She was a member of the Thursday Club Juniors and prominently identified with various cultural and philanthropic organizations.

Surviving are her husband, a daughter, Ann, 4; her parents, Mr. and Mrs. Chris Westergaard, of San Diego, and a sister, Mrs. Robert Judson, of Tucson.

Her husband's partner, A. J. Sutherland, president of the Security Trust & Savings Bank, and Mrs. Sutherland.

DELAY NAMING WINNING HOMES

Announcement of winners in the San Diego Junior Chamber of Commerce's Home Decoration Contest has been postponed until December 25, instead of December 22, Jaycee chairman Larry Herr Jr. announced today.

Judging of a record 60 entries will be conducted by members of the Junior Chamber December 19 through 21, as originally announced, Herr said.

Preliminary judging will take place Tuesday evening, Dec. 20, at which time outstanding homes will be noted for the final selection on Wednesday night,

PL Rotary Club

Point Loma-Mission Bay Rotary Club will hold a Christmas party tomorrow at its noon luncheon meeting at Kona Kai Club. Santa Claus is expected to appear—"bring your children." Gifts will be exchanged.

Local Residents Hail Sewage Plant Proposal

Recommendation of the Citizens Sewer Committee that the City build a \$23,800,000 sewage system with treatment plant and ocean outfall at Imperial Beach was hailed with satisfaction by many Peninsula residents this week.

In June, 1954, a 16-million-dollar bond issue for a sewage system with a Point Loma treatment plant and outfall was defeated at the polls. Opposition was spearheaded by the Sewer Bond Research Committee headed by Tom Drake of Ocean Beach.

The City Council decided Tuesday to hold a conference early in January to consider the recommendation by the Citizens Sewer Committee. The Council is considering calling a sewer bond election for next June.

The Imperial Beach site was recommended by three consulting engineers hired by the City. Their alternatives were a Point Loma location or sites at both Imperial Beach and Point Loma.

Concurring with this recommendation was the Citizens Sewer Committee, of which Drake is a member and Douglas Giddings chairman. The committee includes proponents of the unsuccessful 1954 proposal, as well as opponents and neutrals.

Dr. Cobb Installed By Optometrists

Three Peninsula residents were honored by the San Diego County Optometric society and its Auxiliary at a gay dinner at the Kona Kai club Saturday night.

Dr. Stanley Cobb, Ocean Beach optometrist, was installed as a member of the board of directors of the optometric society.

At the same time, Mrs. Cobb was installed as the first vice-president of the Auxiliary, and Mrs. S. Kuntz, one-time secretary to the City Council, was installed as the Auxiliary's third vice president for 1956.

Installing officer was another Peninsulan, Dr. Gordon Kindy, who is president-elect of the California Optometric Association.

Characters for the play were portrayed by Lisa Williams, Phil Clark, Ralph Bonacker, Judy Ramsey, Pete Colonelli, Carol Wade, Duke Ferrara, Virginia Good, Polly Wilgus, Sharon Burbank, Sandy Monson, Bob Duling and Dave Cripps.

'News' Subscriber Remembers Carrier With Unusual Gift

Jon Clark, Peninsula News carrier boy, and his sister Lynne, who helps him, have received an unusual Christmas gift.

Ray Egli, 4605 Santa Cruz Ave., a customer on Jon's route, sent them each a Christmas card in addition to generous tips and candy. Enclosed in their cards were snapshots of Egli's dog, "Jingles."

Jon and Lynne were so pleased with the snapshots that they wanted to share one of them with Peninsula News readers.

"Jingles" waits on Thursdays for the boy and girl to deliver the paper; sometimes he goes to the door and they talk to him.

COLUMNIST—"Jingles," who wants to be a cub reporter for the Peninsula News, practices writing his "Wag" column.

UNITED SUCCESS DRIVE HITS RECORD TOTAL IN SAN DIEGO

San Diego's United Success Drive is expected to climb to a record fund of \$1,564,000 when it comes to an official close on Christmas Eve.

The largest amount of money ever raised in the Greater San Diego community, it represents more than 90 per cent of the \$1,735,450 goal for all Red Feather services.

John W. Quimby, campaign chairman, pointed out that the drive set two other records: It was raised in the shortest length of time of any United Success Drive, and with the participation of the greatest number of citizens.

"The community definitely has made strides this year," Quimby said. "Together, we have contributed some \$225,000 more than last year, for an increase of 16.8 per cent. Compared to the average across the country of a 5 per cent increase over 1954, this is a record of which we can truly be proud. Our increase over 1952, when it was necessary to borrow money to keep the agencies going, is a fantastic 110 per cent increase."

Quimby said the additional

amount raised will mean that Red Feather services can continue serving the thousands of families and children now being helped, and extend their services to better than 11,000 more children who have been waiting.

He added that some 13,000 children will still have to wait, because there will not be enough funds to build agency programs to the point where all children can be taken care of.

"There is no question," he commented, "but that the additional \$225,000 will result in substantial increases, both in quantity and quality of health, welfare and youth services available. The whole community can be proud of having set an honest goal on the basis of actual needs, and of having gone so far toward getting the actual need."

"In short," he concluded, "the 1955 United Success Drive has been an important step forward for the whole community, in keeping with the spirit, born in the First United Success Drive which has made this truly THE Community Cause!"

DOLLS—The Pine Cone Bluebird group of Ocean Beach has the Christmas spirit—they made 17 stuffed dolls and dressed them for the children in County Hospital. Left to right are Maureen Lewis, Christine Wil-

hams, Marianne Madsen, Kathy Schmeltzer, Jeannette Walsh, Bonnie Cooper, Linda Pohl and Mary Winkler. Their leader is Mrs. Melvin Lewis of 2251 Mendocino Blvd. Co-leader is Mrs. James Walsh.—Les Hamm photo

on "Invitation to Spanish," this past week.

This program, heard weekly through the co-operation of Channel 8, has Margit MacRae as instructor and is one of many such educational features presented under City School supervision.

Because of studio limitations only 24 of the pupils were able to appear personally, but a tape recording was played on which all 42 student voices were heard singing Christmas carols in Spanish.

The children were directed by Margaret Brown, who is also a consultant in Spanish for the City Schools.

The program finished on a

note of discussion by Margit MacRae, instructor, with another Ocean Beach resident, Dear Turner, who works also with KFMB-TV and is known to his viewers by the Spanish classroom name of Mr. Vargas.

The fact that model trains are not mere toys to be played with by children is proven by adult groups who have formed clubs in this vicinity for persons who are seriously interested in this fascinating hobby of trains.

So great has been the interest in this subject that an International Organization was recently formed by a group that met in the House of Charm at Balboa Park.

Among those named to office has been Charles "Chuck" Underhill of Coronado Ave., who will take care of secretarial-treasurer duties under the title chiefclerk and paymaster.

Mr. Underhill, who is no novice at this model train hobby, belongs to the Pacific Beach and Western Model Railroad Club and has served as president of this group for the past year.

This newly formed group is unique in the fact that it will be an international exchange of stock, equipment, and ideas.

Mr. and Mrs. Charles W. Carnell, owners of the ABC Liquor Store at Voltaire and Ebers, have returned from a trip that covered points of interest from Serra Retreat, the San Francisco Order at Malibu, down to Phoenix, Arizona.

The Carnells drove from Malibu to Los Angeles where they visited with Mrs. Carnell's relatives, Mr. and Mrs. Joseph Trombino. From there the couple went to Phoenix and visited with his nephews, John and Jimmy Mariani, then over to Mesa, Ariz., where they enjoyed a stay with Mr. and Mrs. Frank Guida.

It was on their return trip that the whole thing proved rather costly when they encountered a severe sand storm between Yuma and Calexico.

Mr. Carnell terms it "a rather expensive sand-blasting souvenir," as he gazes at his sand-pitted 54 Olds.

There have been many new arrivals in this area recently. A number of these persons will be experiencing their former "white Christmas" in this "green Christmas" climate. One of the outstanding features noticed by most newcomers is the floral beauty that is so abundant at this season which, to them, is winter.

From North Cape May, New Jersey, have come Mrs. Wesley Musselwhite and her two young sons, to join her husband who is in the Coast Guard service here.

Lt. Cmdr., USN, (Waves) Miss Kathleen Ziegler is here from Lake Bluff, Ill., and loves the area already.

Another from Illinois, is Mrs. A. H. Wolsey, former resident of Evanston, who has brought her own home and is here to stay.

Detroit, Michigan, has been left behind by Miss. Mildred Picard, and from Honolulu, have come M-Sgt. USMC Edward and Mrs. Mangrun.

When the Ladies Altar Society of the Sacred Heart Church held their Christmas party at Admiral Kidd Officers Club this week, they also observed the birthday of Mrs. Phyllis Marie Carnell.

Mr. Francis Dillon and Father Prince of Sacred Heart Church here, were among the many guests attending.

Mr. and Mrs. Cy Ward are looking forward to the holiday season when they expect a visit from some long-time friends, Mr. and Mrs. Arthur Olson and their two children, Susan and

Jennifer of Chicago.

When a group of hunters set forth for a weekend of duck hunting it was never expected that they would be shot at in return.

David, Calvin, and Roger Redden, along with Bennett Young, decided to open the season by bagging a few ducks at Salton Sea. Another group of well-dressed hunters had a similar thought in mind but evidently mistook our hunters for the ducks.

According to witnesses, a direct discharge hit David, who felt the pellets strike his chest and had the misfortune of one lodging in the end of his nose. Calvin felt the sting of several on his left shoulder. Only their heavy clothing prevented more serious injury, it is said.

Along with this misfortune,

they were fortunate in bringing home a couple of Canvasbacks, Canadian Honker, and a Ruddy.

PENINSULA WOMAN'S CLUB

A Christmas party for children of members of the Peninsula Woman's Club was given Wednesday at the SES Hall in Point Loma, it was announced.

Mrs. V. A. Kullberg, party chairman, had as her committee: Mmes. Charles Marshall, Jack W. Hampton, George Schwegel, Philip Meredith and Burdett Keller.

Cub members will help wrap Christmas packages for servicemen Dec. 22, at the Armed Services YMCA.

New registrations are now being accepted in the Conversational Spanish Class at Midway Adult Center. The class meets

Mondays and Wednesdays from 9 to 11:30 a.m. under the direction of Maria Folly. This class is planned to assist the average adult in speaking and understanding the Spanish language which is used in this area of the state.

Two Christmas Eve Eucharists At Trinity Church

The Nativity of Jesus Christ will be observed at two celebrations of the Holy Eucharist in Trinity Episcopal Church, Ocean Beach, according to the Rev. John R. Nicholson, vicar.

The first service at 9 p.m. is to be a Solemn High Eucharist with music by the combined Junior and Senior Choirs under

the direction of Mrs. Edith Starr Webster. The choir will be heard in the anthem "O Holy Night," arranged by Ringwald.

The second Christmas Mass will begin at 11:30 p.m. Father Nicholson will be celebrant at both services.

Week's Services Announced Sunday, Christmas Day, two services of the Holy Eucharist will be celebrated, at 9 a.m. and 11 a.m. There will be no Church School on this Sunday.

Holy Eucharist will be celebrated at 6:30 a.m. and 9:30 a.m.

Monday, St. Stephen's Day, on Tuesday, St. John's Day, and on Wednesday, Holy Innocents' Day.

Children's Christmas Pageant Children of the Church School will gather Wednesday evening for the annual Children's Pageant. All parents and friends have been invited to this portrayal of the Spirit of Christmas. The Pageant will begin at 7 p.m.

Auxiliary Christmas Party Members of St. Anne's and St. Monica's Women's Auxiliaries will sponsor a Christmas party for all the women of the church Thursday, Dec. 29, at 8 p.m., in Wallace Hall. Gifts not to exceed a value of fifty cents will be exchanged.

The mile-long chair lift from timberline to the 7,000 foot level on Mount Hood in Oregon was completely overhauled in early summer of 1955.

County Veterans' Service Dep't. Offers Aid To VA Pensioners

"This is the time of year when annual income questionnaires from the Veterans Administration bring headaches to VA pensioners," says C. J. Sexton, director, San Diego County Veterans' Service Department.

He offers the assistance of the San Diego County Service Office to any veteran or veteran's survivor who might spend a dismal holiday season worrying over the complexities of the income statement.

Pensions — as distinguished from compensation — are payable to veterans who are totally and permanently disabled (unable to earn a living) due to non-service connected injuries or ailments. Certain widows and children of deceased ex-servicemen

are also eligible for small pensions.

To be eligible, a single person may not have a non-pension income (with certain exceptions) of \$1,400 or more per year. The income of persons with families may not exceed \$2,700 annually.

Deciding what is income can be perplexing when it includes retirement pay, rental; returns from business or professional pursuits — anything where contributions or expenses must be balanced against the gross receipts. Life insurance proceeds are another problem, and so is any lump sum that cannot be figured by the calendar year.

To add to the distress of pensioners, the penalty for making a mistake can be retroactive for-

feiture of the pension for an entire year.

"Bring your questionnaire forms to this office," urges Sexton, "at 230 West C. St. We have helped others with problems like yours, and will be glad to make the job easier for you."

Now that we're in the home stretch of what looks like the biggest and best holiday season of all, we would like to express our hope that this will be the Merriest Christmas ever for you and your family! And as a thought for next year, we'd like to suggest that one of the best resolutions you can make is to open a Bank of America savings account and keep it growing with regular deposits. It's a wonderful way to start the New Year and it will give you that care-free feeling of having money in the bank.

FIRST THINGS FIRST!

It's time now for thoughts of Christmas, of course. But perhaps you've found that extra expenses like real estate taxes, unexpected calls for the doctor and, of course, budget-pinchin' bills for gifts have left you temporarily "strapped" for money. If so, why not come in and see us about a Timeplan Personal Loan. Timeplan cost is low and you can repay in easy monthly instalments. It's the business-like way to borrow—and you can pay off all your bills all at one time.

? BofA Quiz Corner ?

DID YOU KNOW THAT you can make a deposit to your Bank of America savings account on or before Friday, January 10th, and it will earn full 2% bank interest from January 1st? It's a good idea to start your account or make a deposit now.

MORE THAN 100 TO COMPETE IN JUNIOR GOLF TOURNAMENT

San Diego's par-busting golf kids, led by National Jaycee Champion Phil Rodgers, go into action again tomorrow (Friday) in the second annual Sail-Ho junior tournament at the local Naval Training Center.

Sail-Ho Manager Mike Vesock said the public is invited to witness the 18-hole event, with tee-off time 8:30 a. m. There is no admission charge. Spectators may enter through the Training Center's Gate 1 on Barnett Street near Rosecrans.

Besides Rodgers, who is San

Diego County Amateur champion and president of the new County Junior Golf Association, the field will include more than 100 other tournament-class boys and girls from 8 through 17 years of age.

Defending champion is Mission Valley Country Club's Mark Gordon, 14, who attends the Boyden School. He won last year with a seven-over-par 67. Other prominent junior boys entered are the Aiken brothers, Joe and David; the classy 10-year-olds Mike Riley and Mike

Hartson, Andy Simington, Chuck Courtney, Dave Cotton, Denny Mays, Hugh Skinner, John Dorian, John Farrish and Jimmy Van Cleave.

In addition to Rodgers, all other JGA officers also will participate in the one-day tournament. They are Dick Lytle Jr., vice president; Bob Frazee, secretary; Jim Fournier Jr., treasurer; Fred Ferguson, membership chairman, and Katie Richards, chairman of girls' activities.

Carol Hartson, twins Marsha and Marilyn Miller, and Vicky Voll will head the girl entries, along with Katie, who fired a neat 84 at the recent pro-junior tournament over the Municipal course in Balboa Park.

Tournacena hostess and queen will be the JGA's "Fairest of the Fairway," 18-year-old Gay Cowie, who also is the Convention and Tourist Bureau's Miss ConTour. Also on the Sail-Ho program is a putting tournament sponsored by the Downtown Lions Club, Manager Vesock reported.

Kit Carson's former employer offered a one-cent reward for the return of 16-year-old Kit when, according to the National Automobile Club, he ran away from Missouri to become a fur trader and guide in New Mexico.

Scouting With Girl Scouts

An overnight at Camp Tapawingo near Julian started a program of camping and outdoor activities in new surroundings recently for members of Girl Scouts of Troop 830. The seventh grade troop is led by Mrs. John Benedict and Mrs. Paul Holbrook.

Scouts included in the camping trip were: Cindy Shirley, Juliann Weller, Janice Conkin, Gloria Allison, Gerilyn Gosewisch, Irene Dalglish, Beth Adkins, Gay Sherwood, Beth Pickins, Pat Benedict and Carolyn Ludwig.

Also, Evelyn Hardie, Paula Sayles and Sandra Toledo. Assisting the leaders were Mr. and Mrs. William Sayles and Mr. Holbrook.

Girl Scouts of Troop 172 and Explorers of Post and Ship 588 celebrated the beginning of the yuletide season with a Christmas dance and party Saturday evening at the home of Bob Long, 4519 Del Mar Ave.

A bird pinta was hung from the ceiling in the center of a canopy of red and white paper

'BIRDIE' SEEKERS—Gene Littler, left, Phil Rodgers and Gay Cowie play prominent roles in S. D. County Junior Golf Association activities. Littler is one of the pro golfers sponsoring the JGA; Rodgers is JGA president and heads the field of more than 100 juniors participating in Friday's second annual Sail-Ho Junior Tournament at NTC. Blonde Gay is official hostess and "Fairest of the Fairway" for this event and other JGA-sponsored tournaments.

festoons. Games were played and gifts exchanged.

Mothers were special guests when Girl Scout Troop 345 entertained at a Christmas luncheon and gift exchange Wednesday at Admiral Kidd Club. Leaders of this eighth grade troop

are Mrs. Richard Brumagim and Mrs. John Nedrow.

Scouts and their guests were: Mrs. Bert Beneventi and Mary; Mrs. Henry Bishop and Carol; Mrs. Charles Dunn and Fronsie; Mrs. Carl Moore and Patricia; Mrs. Joseph Walsh and Joanne; Mrs. Frank Mairot and Charlynn;

Mrs. Marion Connerly and Linda; and Mrs. Edward Hurst and Gayle.

Also, Mrs. Robert Cutchin and Nita, Mrs. Monroe Pruitt and Janice Terri Brumagin and Judy Nedrow.

Modesto, the county seat of Stanislaus County, is reported by the National Automobile Club to have been named for a pioneer banker who modestly declined the honor.

SNOOZE SNOW'S NICE—dreaming—nice warm, slush-free dreams.

"What do you do for snow here at Christmastime?" asks Mrs. Roy Wheeler of 3921 Alcott St. and formerly of Kodiak, Alaska.

We would like to answer that our snow comes in cans at room temperature—and it looks lovely when new fall on a cedar bough. We have never known anyone to have shovel trouble with it or become snowbound.

Seriously, though, we, too, like to dream of a white Christmas. And we want to keep right on

PLEASE PASS THE SALT—When Mrs. A. W. Withers of 4567 Bermuda Ave. visited in Chicago last summer she kept noticing large concrete boxes along the streets. She learned they were filled with coarse salt for pedestrians to sprinkle wintertime.

That's almost as bad as some cities in Florida that have to

send trucks out every other day in the summertime to spray mosquitoes.

Anyone for points North or East?

LITTLE PITCHER—Four year-old Timothy Thompson watched men from the street department use a registering instrument (sometimes called a pipe finder) on a job in front at his home at 3035 Lawrence St. Running up to them, Timmy called: "Hey, are you guys looking for geranium?"

FRIEND IN DEED—"Home for Christmas" has a double meaning for Mr. and Mrs. A. P. Amedee, 1045 Cornish Dr. They have been building their own home and trying to beat an eviction deadline.

"Without the help of our good neighbors, Mr. and Mrs. Albert Tramonti, we wouldn't have been in our new home for Christmas," said Mrs. Amedee. "Mrs. Tramonti planned and organized two old time pioneer parties. She invited friends to come, drive nails and help with the general construction. She drove nails half a day herself!"

PREREQUISITE: TWINS—

Twins, a boy and a girl, arrived in time for Christmas with their parents, Mr. and Mrs. A. J. Woodington (the former Roberta Hill). Merritt Arthur and Michele Ann are grandchildren of Mr. and Mrs. Charles Hill of 3027 Lawrence St.

Having twins made Mrs. Woodington eligible for membership in the newly organized Double-Trouble Club. The club meets regularly to discuss problems of twin care and behavior. They also have an exchange for hard-to-get twin furniture, such as, baby carriages, etc. For more information, call BE-41189.

ROMANTIC SAINT NICK—A jolly Saint Nick on the front door made the important announcement: "Ho, ho, ho, it's Frank and Jo." At a Christmas Tea given Saturday in the home of Mr. and Mrs. Glenn Bovee of 3225 Whittier St., the engagement of their daughter, Joanne Patricia, to Frank J. Hickey, was announced.

Mrs. Russell J. Kiegel and Mrs. H. L. Larsen assisted Mrs. Bovee during the tea hour. They also were responsible for the jeweled Christmas stockings, bearing the names of the couple, which hung side by side on the fireplace mantle.

Miss Bovee attended Point Loma High School and graduated from the University of Southern California. She teaches second grade at Silvergate

School.

Mr. Hickey son of Mr. and Mrs. William F. Hickey, also attended Point Loma High School. He is a graduate of San Diego State College. The couple plans to be married in July.

HITHER, THITHER, YON—Miss Grace Finley, principal of Cabrillo Elementary School, is spending the Christmas holidays in Honolulu.

Miss Hazel Hartley, Cabrillo teacher, flew to Canada for her yuletide vacation, while Miss Wanda Neeley, another teacher at Cabrillo, will greet Saint Nick in Ohio.

Sun Valley bound for Christmas are Mr. and Mrs. Harold C. Smith and children, Peggy and Edwin, and Mr. and Mrs. Ike Sherwin and children, Betty Ann and Mike.

Safety Officials Warn Motorists

With traffic fatalities rising alarmingly during the past six weeks, traffic safety officials warned motorists and pedestrians today of the added dangers in heavy holiday traffic.

"More than 30 persons have been killed in traffic crashes in San Diego County since November 1. This is double the rate for the rest of the year. Lack of due caution, misuse of speed and right of way violations are leading causes of the

Aliens Must Register In January

Commissioner J. M. Swing announced this week that the Immigration and Naturalization Service expects some 2,600,000 aliens to report their addresses in January under the 1956 Alien Address Report Program.

The Commissioner explained that under the 1952 Immigration and Nationality Act every alien in the United States must report his address to the Service each January.

More than 2,300,000 aliens filled out cards last January under the program, and the figure is expected to reach more than two and one-half million in 1956.

George W. Scallorn, Officer in Charge of the local office of the Service said about 26,000 aliens registered under the program in this jurisdiction last year, and a slight increase is expected under the 1956 registration.

The immigration spokesman pointed out that every citizen (except persons in diplomatic status and foreign representa-

crashes," Ronald T. Strong, Traffic Safety Council president said.

The San Diego County traffic death toll as of December 15 stood at 172 as compared with 156 for 1954. The figure has exceeded the full year total for both 1954 and 1953 which were 166 and 168 respectively, Strong pointed out.

"Our only hope for holding the 1955 total at the present figure lies in the complete cooperation of everyone who must be out on the streets and highways during the holiday season. If they will drive and walk with the other fellow's safety, as well as their own, in mind at all times, then we can hold the line. Otherwise death and tragedy rather than happiness will prevail in many San Diego County homes during Christmas and into the new year," Strong warned.

Oregon has more standing timber than any other state in the Union, reports the National Automobile Club.

out a registration card available at U. S. Post Offices or at the nearest immigration office.

Parents may fill out cards for their children under age 14. Legal guardians of aliens in custodial care should fill out the address reports for such persons.

HERE'S HEALTH!

By Lewis

GRAPES... THE GLAMOUR FRUIT

GRAPES ARE SO ANCIENT A FRUIT THAT THEIR ORIGIN IS LOST IN ANTIQUITY. THERE IS EVIDENCE THAT THEY WERE CULTIVATED DURING THE BRONZE AGE (ABOUT 4,000 B.C.)

GRAPES ARE POPULAR FOR THE FRUIT BOWL BECAUSE OF THEIR FRAGRANCE, FLAVOR, COLORING AND GRACEFUL SHAPES

GRAPES ARE AT THEIR BEST WHEN EATEN OUT OF HAND BUT THEY ARE DELICIOUS IN JELLIES, IN FRESH GRAPE JUICE AND IN DESSERTS

WHEN LIEF THE LUCKY SIGHTED THESE SHORES IN THE 11th CENTURY HE CALLED THIS COUNTRY "VINELAND" BECAUSE OF THE GRAPES GROWING HERE IN SUCH PROFUSION

Christmas Kettles Near 'Boiling Point'

Salvation Army Christmas kettles are nearing the 'boiling point' and if the goal is reached by Christmas Eve, more than 34,000 needy people will receive food, toys and gifts.

In addition, over 500 homeless and unemployed persons will have hot dinners on Christmas Day.

More than 25,000 toys, many of them donated through the Marine Corps Reserve Toys for Tots program have been made spick and span and gift wrapped for distribution to needy children on Christmas Day.

Donations may be made to the Salvation Army kettles set up throughout the area, or if more convenient, may be mailed directly to the Salvation Army Citadel, 830 8th Ave., San Diego.

A Christmas party was given by Girl Scout Troops 390 and 647 Friday at the Ocean Beach Community Center. June Baskett entertained with accordion selections.

MERRY CHRISTMAS

In spite of spotty surface fishing, anglers by no means went home empty handed and some of them did exceptionally well. For example, Roy Ludi, Alhambra, managed to sack three yellows, one of which was a 28 pound lunger.

Among Point Loma-Ocean Beach area anglers who did exceptionally well with the big cod during the week were: H. P. O'Connell, J. W. Glenn, J. D. Locke, William Massey and J. E. Luden.

San Diego sportfishing boats will remain at the dock next Sunday in observance of Christmas.

Toastmasters Club
Ocean Beach Toastmasters Club held a Christmas party for members and their wives yesterday. Dinner was followed by a program and dancing.

The club meets each Wednesday at 6:45 p.m. in the Institute of Aeronautical Sciences Building on Harbor Dr. It welcomes a new members any men who are interested in improving their speaking ability. Bud Sheets is president.

Anglers Check In With Red Cod

Although yellowtail fishing at the Rock Pile and the Coronado Islands was up one minute and down the next, banner catches of big red cod, groupers, and ling more than made up for any real or fancied shortcomings in other departments this week.

Most productive spots were scattered out along the edge of the deep canyon eight or nine miles southwest of Point Loma, and anglers found the fish eager to get at the bait. As a result, catches soared to the point where nearly every person aboard was able to stuff his sack with the full legal limit of the choicest of table fish.

In spite of spotty surface fishing, anglers by no means went home empty handed and some of them did exceptionally well. For example, Roy Ludi, Alhambra, managed to sack three yellows, one of which was a 28 pound lunger.

Among Point Loma-Ocean Beach area anglers who did exceptionally well with the big cod during the week were: H. P. O'Connell, J. W. Glenn, J. D. Locke, William Massey and J. E. Luden.
